Skills Needed and Description of Job:

We are seeking skilled Facilities Technicians to join our team. The ideal candidate will be responsible for general and routine maintenance repairs and service operations throughout the hospital and the Extended Care Facility. Constructs, repairs, and maintain wooden structures (such as furniture, equipment, partitions) and other parts of the building(s) using

hand and power tools. Required to perform maintenance on equipment. Performs other related duties as assigned or requested.

- Must have good problem-solving skills.
- Must be able to handle and operate equipment of the profession such as hand and power tools, and precision measuring and testing instruments.
- Must be able to communicate intelligently and in a professional manner.

Job Requirements:

- High school graduate or trade school graduate, with courses in arithmetic, mechanics, and electricity preferred.
- A certification by a trade or technical school.
- Driver's License (Required)
- HVAC Certification (Preferred)
