Job Description:

These roles support the machine operators by learning to operate lumber production equipment, as well as general housekeeping to ensure a safe working environment for all employees.

Essential Duties:

- Learning to safely operate equipment to be able to relieve operators when needed
- Cross-training on various machines to increase operational knowledge
- General housekeeping around saws, conveyors, and stackers to keep machinery functioning properly, reduce hazards, and promoting a safe work environment
- Wear safety equipment including safety glasses, hearing protection, steel-toed boots, and other PPE as required by specific jobs
- Working 12 hour rotating shifts with the potential of weekends, overtime, and holidays when required
- Working in a hot, cold, humid, noisy industrial environment Maintaining strict adherence to safety rules and regulations, while performing tasks such as lifting up to 50 lbs, walking, climbing, stooping, standing, pushing and /or pulling

Qualifications

- Previous experience working in a manufacturing, industrial, construction, farming, warehouse, or military environment OR completion of training/schooling in a related technical discipline
