Oconee Fall Line Technical College and Middle Georgia State University Course Articulation Agreement

Computer Information Systems degree programs - Bachelor of Science Information Technology

- The joint program will be open to Oconee Fall Line Technical College graduates with a Computer Information Systems degree and only for candidates entering the online or face-to-face Bachelor of Science degree in Information Technology major at Middle Georgia State University.
- Middle Georgia State University will accept the general education courses for transfer as detailed
 in the articulation agreement between the University System of Georgia and Oconee Fall Line
 Technical College (Appendix 1). Courses will only be accepted from institutions accredited by the
 Commission on Colleges of the Southern Association of Colleges and Schools.
- 3. All Oconee Fall Line Technical College courses transferred to Area F OR to major requirements toward the Bachelor of Science degree in Information Technology will be taught by qualified faculty as determined by SACSCOC Comprehensive Standard 3-7-1 Faculty Competence. When determining acceptable qualifications primary consideration is given to highest degree earned in the discipline. Consideration is also given to the individual's competence, effectiveness, and capacity, including as appropriate, undergraduate and graduate degrees, related work experiences in the field, professional licensure and certifications ,honors and awards, continuous documented excellence in teaching, or other demonstrated competencies and achievements that contribute to effective teaching and student learning outcomes.
- Only Oconee Fall Line Technical College courses with a grade of "C" or higher will be transferred
 to Area F or to major requirements toward the Bachelor of Science degree in Information
 Technology.
- Qualified Oconee Fall Line Technical College graduates will be required to fulfill all of the School
 of Information Technology's Area F requirements (18 semester hours), the School's ITEC upper
 level core requirements (21 semester hours), and a minimum of 18 semester hours of upper level
 ITEC electives.
- 6. MGA candidates for degrees must complete a minimum of 120 semester hours of academic work with a grade point of 2.0 or better calculated on all work attempted at MGA. The academic work must include at least 21 semester hours of upper division courses in the major field and at least 39 semester hours of upper division work overall.
- 7. Of the 40 semester hours immediately preceding graduation, at least 30 must be taken in residence at MGA. Any student admitted to MGA for the final year must be in residence for two semesters and must complete at least 30 semester hours in residence, including 21 hours of upper division work in the major.
- All University System of Georgia and Middle Georgia State University requirements for graduation must be satisfied.
